Description

A Victorian pine chest of drawers, with 2 small drawers at the top, 3 large full width drawers below, each with old wooden knobs, slightly shaped under the bottom drawer, sitting on bun feet. Originally painted, this was stripped some time ago, and wax finished. Could do with a bit of a clean up, and a little restoration, although the drawers are sliding smoothly. Can be purchased exactly as it is for £350 (please contact me first if you are tempted to purchase it as it is, I can explain the restoration required). If you'd like me to do the work for you, and clean up and re-wax: £427
