Pair of large wingback armchairs

Price

Sold

Item Reference: SA946548

Date of manufacture: 1900

Dimensions

Height = 125 cm (49.2")

Width = 92 cm (36.2")

Depth = 100 cm (39.4")

Description

Always difficult to source a large pair of English wingback armchairs in the early 18th Century taste. Wonderful large proportions and excellent shape, sitting on carved walnut cabriole ball and claw legs. Nicely carved and excellent colour. Probably dating to the early 20th Century. Certainly in need of re upholstery, these would look wonderful covered in an appropriate fabric, as library chairs or in a large sitting room.
