Description

A very pretty Victorian mother of pearl jewellery box standing on small white metal ball feet. The hinged lid lifts to reveal the original green velvet lining. The condition is good, there is a minute nibble on the edge on one side, this can be seen in the photos. It does not affect the appeal of this charming box. A lovely item and a wonderful gift. c.1880 Width: 5" 12.5 cm Depth: 3.25" 8.5cm Height: 1.75" 4.5 cm
