Sold**Item Reference: SA947267****Date of manufacture: 1960**

Description

The watch is powered by Omega's outstanding calibre 565 fully automatic movement with quick set date facility. The original dial is quite superb and untouched. It has the Omega symbol on the winding crown and a genuine Omega buckle. A new glass has been fitted and the case which is made from a single block of stainless steel with smooth curved surfaces has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. It comes with a leather strap and also a bracelet which is made by Condor and of high quality with solid links, a double safety clasp and diver extension. These bracelets are by far better quality than the original Omega bracelets. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 35.5mm in diameter not including the crown. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous.
