Depth = 3 cm (1.2")

Description

A wonderful large marine watercolour depicting waves breaking on the manx shore by James Aitken (1853 - 1935). This exceptional painting perfectly captures the movement of crashing waves from the Irish Sea, a cloudy blue sky. Signed lower right. A rare large example, wonderful colour and quality work of art. This painting has been professionally and sensitively cleaned, retaining the vibrant colours. It has also been re-framed and mounted.
