Description

A beautiful pair of Queen Anne country made oak chairs. The arched top rail above the splat back on a rush seat. These lovely chairs have a deep apron on slender cabriole legs and pad feet. Considering their age these chairs are in wonderful condition. When purchasing vintage items or antiques, please be aware that the pieces you buy are vintage. Although every effort is made to source the best examples, in the best possible condition, all pieces will have had their own journey and consequently will have their own personal quirks and character, as we all do.
