Description

Georgian oak dresser cupboard base This Georgian oak dresser cupboard base was made circa 1820. It is of the most wonderful colour (my images do not do the colour justice). The dresser is fitted 3 drawers along the top and a full-length cupboard under. The front was constructed to seem as there is a bank of drawers down the middle, but they are dummy fronts between the cupboard doors. Imagine owning this wonderful cupboard dresser base, that has a wonderful patina and colour. 153cms wide 60ins 43cms deep 17ins 79cms high 31ins All Measurements are as accurate as possible Delivery UK mainland FREE Other destinations please contact us, and we will get a quote. We use a professional Removal company to transport our precious items and do not entrust them to usual parcel services. Therefore, delivery may be 7 -10 days, but it is worth the wait of course. On occasions customers have been disappointed to miss an item as they e-mailed their enquiry instead of phoning, I would recommend that if you wish to get the piece, please call rather than e-mail. We are very friendly and easy to deal with This Georgian oak dresser base are items of antique furniture that are green products ...
