Description

A charming 19th century antique oak lowboy table. The antique oak lowboy table has a rectangular shaped surface top with a single drawer below, fitted with two brass drop handles. The antique oak lowboy table is raised on four square tapered legs. An attractive colour and patina throughout. Item Ref; M-4429 . DIMENSIONS: Height – 70cm / Width – 69.5cm / Depth – 50cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains and shrinkage to the top (pictured), further scratches to the sides, back and legs (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique oak lowboy table remains structurally solid and sound, with the drawer running well. Overall, a neat example.
