Description

An amazing and very rare pair of antique wing back armchairs by Ray & Solomon Hille. They were made in England, and date from around the 1920's. The quality is fantastic, with very generous proportions, they are also extremely comfortable. The shapely frames with hump backs, sit on finely carved solid walnut legs. We have recently had these fully re-upholstered in a beautiful charcoal wool fabric that contrasts nicely with the light wood legs that have just been cleaned and re-polished. The condition is excellent throughout, with only some minor wear and patina remaining to the wood under the polish. Width – 35 inches , 89 cm Depth – 36 inches , 92 cm Height – 46 inches , 117 cm Seat height – 18 inches , 46 cm
