Description

A beautiful and very well made antique mahogany low boy side table in the Georgian style. This was made in England, it dates from around the 1930's. It is a very useful size to be used as a console / side table and can even be used as a desk. The quality is amazing, this has a lovely bow shaped design, generous drawers, reeded top edge and it sits on tapered legs with spade feet. We have had this recently re-polished, it is in excellent condition for its age. Width – 39 inches , 99 cm Depth – 19 inches , 49 cm Height – 30 inches , 76 cm
