Description

A charming 19th century antique mahogany bachelor's chest of drawers. The antique bachelor's chest of drawers has a full width dressing slide above an arrangement of four graduating drawers, each with decorative brass drop handles. A rather pleasing example, with beautiful colour and grain throughout. Item Ref; M-4440 . DIMENSIONS: Height - 84cm / Width - 95cm / Depth - 52.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains, shrinkage and patch repairs to the top (pictured), further marks, scratches and splits to the sides (pictured). There are a few repairs to the back (pictured), however this doesn't affect the overall integrity of the product. The antique bachelor's chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
