## Description

A pair of Vintage French fauteuils in Louis XV style, the channel moulded beech frames with foliate detailing, the shaped backs upholstered in cut moquette floral fabric. In good structural order throughout. The seats are good with no lumps or bumps, although the fabric is grubby and one seat has wear to one front corner in particular. I can arrange re-covering with my upholsterer if required - please contact me for further details. The back panels could be retained and the seats re-covered. 86cm high, the seats 58cm wide at the front edge, 48cm deep and 42cm high.
