Description

Gents Bulova wrist watch, 1967. The watch has a Swiss 17-jewel hand-winding movement which is working nicely. The movement is fully signed and it has the date code for 1966. The watch measures 31mm wide excluding the winding crown and 31mm high excluding the lugs so it would suit a man with a slimmer wrist. The case is gold plated with the thicker 40 microns of plate, and it is in lovely condition. The case back is stainless steel. The winding crown is signed with the Bulova name. The lens is in lovely condition. The signed dial is in its original finish with original hands. A new leather strap has been fitted. The watch comes in a beautiful Bulova presentation box.
