Description

A delightful antique puffy heart shaped pendant. Rose gold and marked 9c to the back, the pendant is set with a gorgeous cabochon turquoise gem in the centre. The rose colour and the turquoise compliment each other immensely. It has a loop for attachment to a chain. A gorgeous Victorian pendant. Condition: In lovely condition. There is a circular space on the back of the pendant which probably housed a small gem - this does not detract from the pendant (see images).
