Description

A beautiful silver circular trinket box. Nicely proportioned the box stands on a flat surface with no feet. It is a plain polished silver around the body with a very pretty engraved top featuring bows and garlands. The hinged lid opens and closes precisely. When opened the original removable interior is revealed, which is decorated with a lovely beige satin and purple velvet. Hallmarks are visible on the side for the Chester Assay office with a date mark for 1911, with partial marks on the inside of the lid, along with the Lion Passant indicating sterling silver and the maker's mark: George Nathan & Ridley Hayes. Condition: The silver is in great condition. The removal interior box is also in very good condition - some slight wear to the velvet on the underneath commensurate with age. Measurements: Height: 2.5 cm. Diameter width: 5.8 cm Weight: 67 grams Weights and measurements are approximate. 36992
