Description

A rare very impressive set of American solid sterling silver servers. They are hallmarked STERLING along with the makers mark of J.B. & S.M. Knowles who operated from 1875 until 1905. They have been beautifully designed having a flowing Art Nouveau shape and are in superb condition being free from dings splits distortions and repairs, no engravings. They measure approx. 11 inches (27.5cm) long by 2.75 inches (7cm) wide and have a very heavy combined weight of 242 grams. A super quality beautifully made set.
