Description

A neatly proportioned antique walnut cabinet on chest. The antique walnut cabinet has a two door cupboard to the top, which opens to reveal a spacious interior with a single shelf. To the base of the antique walnut cabinet is an arrangement of two small over one long drawer, each with decorative brass drop handles. Raised on four bun feet. Burr walnut veneer throughout, with feather banding borders. Separates into two parts for ease of transport. Item Ref; M-S005 . DIMENSIONS: Height – 146cm / Width – 85cm / Depth – 54.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related splits and cracks to the veneer at the front and top (pictured), also shrinkage splits to the base and minor losses to the veneer on the sides (pictured). There are minor scratches to the interior (pictured). There are a few honest repairs throughout, however these don't affect the overall integrity of the product. The antique walnut cabinet on chest remains structurally solid and sound, with the drawers running well. Separates into two parts for ease of transport. Overall a good example of its kind.
