Description

very tall French pine double wardrobe dating from around 1900. Typical elegant French style, with the 2 doors mounted on external hinges (which allow the doors to open fully). In wonderful condition for its age, currently in bare wood, originally painted. This wardrobe totally dismantles for delivery, so should go up any stairway. With an internal depth of 21" (hanging space), plenty of room to hang the largest of coats and suits. I can deliver (and assemble) to most areas of England and Wales. Just let me know where you are for a delivery quote. If you are further afield, we do have a number of delivery companies we use who can deliver anywhere. Can be purchased as it is (in bare wood) for £1200, if you'd like me to wax it for you: £1350. Both prices include the fitting of a new brass hanging rail. As it is so tall, you might like me to fit a shelf near the top, with a hinging rail below (£30 extra). (Good idea to check the height of your ceilings. We'll need an absolute minimum of 86" clearance) Height: 83", width: 66.5", depth: 25.5", internal depth: 21"

Internal Ref: V6000H
