Description

This is a beautiful oil on canvas painting of a praying Priest. Possibly German in origin, hard to date but most likely late 18th early 19th century. Yes it is well worn but to me that only adds to the piece. There are no holes and the overall quality in the details is stunning. Large size as well. Currently unframed but we can frame this for you should you like, Height 111cm Width 81cm
