Description

These are a very unusual pair of Napoleon III armchairs. Square sided but the arms and backs are like cushions. Great look and I cant wait to see these upholstered. The tall turned legs as well really finish these chairs nicely. Measurements Height 82cm Width 72cm Depth 68cm Depth of seat 48cm Height of seat 40cm (On my website). If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 8 metres of material (4m per chair). You can supply your own or please browse our collections under the material section. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery.
