A beautiful antique French ormolu mounted occasional table with a mirrored glass top. This was made in France, it dates from around the 1890-1910 period. It is of super quality and is a very useful size, perfect for use as a lamp table or as a plant stand. The mahogany frame has wonderful detailed ormolu mounts and a pierced gallery around the top. The condition is excellent for its age, we have given it a clean and fresh polish, there is just some minor surface wear here and there.
