Description

A Lovely Edwardian Mahogany 2 Tier Occasional Table. A charming table. We bring to you this lovely Edwardian 2 tier occasional table believed to be made around C1890. This great table is in a lovely original condition which we have just enhanced by sympathetically waxing this table preserving the lovely lightly faded original rich Mahogany colour with lots of patina and charm. This round table has a 2 plank solid mahogany top complete with Boxwood and Ebony stringing inlaid into the top surrounding the moulded edge. The table stands on on typical Edwardian square tapering string inlaid legs with shaped stretcher rails to support the small round lower tier. The table is strong with no movement or play in any of the joints. Please note this item is in beautiful condition for its age as shown in the photographs below however being an antique item it does have the odd bump here and there. However, we feel that these points are which adds charm and character to a piece. Please note, items placed on or around this item are not included in sale, sale is for the table only.
