Description

A very neat & tidy little mahogany bracket/mantel clock by the World renowned maker Winterhalder & Hoffmeire. The 8 day, "Ting-Tang" movement strikes with a double strike on the quarters and the number of hours on the hour. It has just been fully serviced by our BHI registered staff and carries our usual 12mths full parts and labour guarantee. It is signed on the backplate with the W&H logo. The arched, silvered dial has black Roman numerals with nicely cut hands, a subsidiary "rise & fall" dial and scroll work to the corners. The swept-top case is made in high quality mahogany and has a lovely age-related patina. It has a brass surround door with a thick bevelled glass and silvered sight ring. A lovely little class clock. All cards accepted.
