Description

Antique Solid Light Oak Lamp/Hall Side Table. Please note, items placed on or around this item are not included in sale, sale is for the table only. We bring to you this lovely solid Oak 2 tier occasional table believed to be made around the 1910. This table is in a lovely previously restored condition being stripped and French polished previously. We have just cleaned and waxed this table preserving its lovely highly glazed French polished finish. This table features a shaped solid oak top with a moulded edge and stands on 4 finely shaped legs which support a lower solid oak shelf which matches the top. This very usable table is in a superb condition for its age, the joints are all as tight as they should be with no wobbles and the top has no open joints. Please note: There is a red-ish shadow to the centre of the top from something which the colour has seeped as shown clearly in the photographs. Also note; this item is in beautiful condition for its age as shown in the photographs below however being an antique item it does have the odd bump here and there. However, we feel that these points are which adds charm and character to a piece. Dimensions Height: 73...
