Price

Sold**Item Reference: SA949762****Date of manufacture: 1750**

Dimensions

Height = 41 cm (16.1")

Width = 22 cm (8.7")

Depth = 22 cm (8.7")

Description

A wonderful late 17th early 18th continental carved crib angel. Shown kneeling (beside the crib) with outstretched arm, which would have probably held a harp or spear, on a naturalised base. The carving is exceptional and very detailed. Remnants of the gesso remain in places particularly to the back and wings. Condition: wing with some loss, left arm repair some time previously, age related cracking and gesso worn.
