Description

Fine 18th century George 3rd mahogany tilt top tripod wine table of the most gorgeous colour with original patina. The nice shape base with plain turned column and shaped legs with pad feet. The round top is a single piece of mahogany. The table is completely original including the block etc. There are no breaks and no cracks. All I have had to do to it is put three pieces of veneer on the top of the block to take up natural wear on the wooden pins of the block so the top doesn't wobble. SIZE; 19" diameter top. 27 1/2" high CIRCA; 1760 - 1780
