Description

A very good harlequin set (close matched) of eight Lancashire spindleback chairs with six singles and two carvers. Probably put together in the 1980's and quite possibly by Browns of Hereford, who specialised in putting together sets (approx £3500 in the 80's). All the rush seats are good and the set have a lovely patina and are ready to use. From the George the 3rd period and always considered amongst the most attractive of country chairs. All solid and ready to use and enjoy. Seat height - 43cm = 17 inches
