Description

A good French late 19th century copper and brass mounted table planter jardiniere. French circa 1880. Of copper structure the rectangular form body having a brass lipped edge and moulded panels with lion ring handles to each end and central ormolu masks, raised on lions paw feet. Very decorative and in a lovely original waxed condition having good colour and patination. Ideal to be used as a planter throughout the home or as a decorative table top wine cooler.

Internal Ref: 2749
