Description

Very decorative and well proportioned French Louis XV style walnut and brass mounted freestanding bureau plat with a gilt embossed leather top, circa 1900. This would also make a fabulous dressing table with either a standing mirror on the top or a wall mounted mirror. Lovely shape to this piece with the curved top helping it to free stand without any harsh corners. The leather top is in good condition, a rich dark tone so it will work alongside fabrics etc. There is one central drawer to one side only, whilst the rear is fully brass mounted and has a "faux" drawer. Great piece of decorative but very useable French furniture. Measuring: 30 inches or 76.5 cm high 55 1/2 inches, 141 cm long 29 1/2 inches or 75 cm deep 24 3/4 inches or 63 cm kneeheight
