Description

A beautiful Dutch pine Linen Press (Circa: 1870), with a lovely arched top, 2 doors, and 2 full width drawers (currently with white porcelain knobs) in the base. Sitting on shaped feet at the front, square blocks at the back. Inside the top there is a vertical central partition, 2 shelf on the left, and a single top shelf on the right with a drop down cupboard door below. Wit an internal depth/hanging space of 19", this top would be deep enough for hanging, so we could remove any (or all) of the internal configuration, and fit hanging rail/s added as required. The top section dismantles for delivery, just leaving the one-piece chest of drawers section (30" high, 58" wide, 24" deep). Originally painted, this is now in bare wood ready for waxing or painting. Can be purchased as it is for £1500, or £1690 if you'd like us to wax it for you. Height: 82", width: 60", depth: 24", internal depth: 19"

Internal Ref: V6100I
