Description

1894 Waltham pocket watch, Masters Rye. The watch has a seven jewel stem-winding movement, grade 20, which is working nicely. The movement is fully signed together with the serial number 6361188 which dates it back to between May & October 1894. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is 14ct gold filled and was made by the Dennison Watch Case Company, the company provided most of the cases for Waltham UK. The case has light surface marking from use but overall it is in nice condition. The inner cover has some wear to the center. The glass lens is in nice condition with only minor marking from use. The dial is signed with the original retailers name J N Masters Ltd, Rye Sussex. The dial is in nice condition. The watch has its original blued steel hands. The watch comes in a new presentation box.
