Description

For your consideration is this wonderfully stylish Gents wrist watch dating to 1936. 10k rolled gold top and back with ornate filigree either side of the dial. Just serviced with new mainspring, crystal, winding crown and 16mm leather strap. Movement is 15 jewel USA made Bulova 10AN running strongly and keeping time. Stamped with both the triangle date code symbol for 1935 and the square symbol for 1936 (often see this on vintage Bulova parts which might have been in production at the end of a year and start of another). The serial number on the back of the case starting with 6 signifies a 1936 date. This watch is perfect both for everyday wear and for adding to the collections. A lovely watch any gentleman would love to wear. Shows no wear-through to the gold. Recently serviced last month, this watch keeps good time and has also been ultrasonically cleaned so it's as hygienic as possible. Strap: 16mm wide, tapering slightly to 14mm at the buckle. Wrist fitting: 16mm wide strap, should fit a wrist size of 160mm to 190mm. Size 25mm excluding crown x 35mm lug to lug. FREE UK MAINLAND DELIVERY in presentation box
