Description

An original railway platform sign dating from the early to mid 20th Century. It is completely authentic and has a great look to it. It is eye-catching in British Rail maroon with white writing. It measures approximately 2ft (61cm) long by 1ft (12cm) high. It is in good original condition with just some minor wear and rust and small losses to the edges of the sign. Nothing untoward for a sign of this age and nothing that we feel is detrimental. It displays beautifully. It has been thoroughly cleaned and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £10.
