Description

This is a pair of signed, French antique gilt bronze twin arm candle wall sconces from a famous European Pottery and ceramic maker. These are quite rare as most of their works were table wear and finding their work incorporated into a gilt bronze wall sconce is very scarce. The colors are extraordinary. These have an exhibition label on the back and they were entered in the great Art & Manufacture exhibition in Leeds in 1875. These have been cleaned and are in immaculate condition. Height: 18 in (45.72 cm). Width: 10 in (25.4 cm). Depth: 5 in (12.7 cm)
