Description

A large antique pine wardrobe dating from around 1880/1900. In really nice condition for its age. Still has its original key. The very top section can be secured and fitted on or it can be removed completely. There are the original swinging hanging pegs inside at the top. These can be left or removed and we can fit a new brass hanging rail at the top, or a shelf near the top with a hanging rail below. Totally dismantles for delivery so should go up any stairway. I can usually come and delivery and assemble for you. If you're too far away, I could record an instructional video, and send it with my couriers (if you were happy to assemble yourselves). With an internal depth of 20" (hanging space) should be plenty deep enough for the largest of coats/suits. Currently in bare wood having recently been stripped. Can be purchased for £1050 as it is or £1150 if you'd like it waxed. Height: 79" (85" with the top section), width: 67", depth: 23", internal depth: 20"

Internal Ref: V7600G
