Description

A very large pine double wardrobe (Circa: 1890), big, solid and sturdy, nice and deep for hanging, and totally dismantles for delivery, so should go up any stairway - I can usually delivery, and assemble for you. If you're too far away, I could record an instructional video, and send it with my couriers (if you were happy to assemble yourselves). 3 bracket style feet across the front, original working lock and key, this wardrobe is currently in bare wood having been stripped of its original paint finish. The side panels are slightly lighter, but once waxed, they should blend in much better. Can be purchased as it is it for £1400, or £1550 if you'd like us to wax it for you. (There are a variety of shades of wax for you to choose from). Both prices include the fitting of a new brass hanging rail. Height: 79", width: 74", depth: 26", internal depth: 21"
