Description

A good quality set of sugar tongs and 6 matching silver Teaspoons contained in their original fitted case. They are a good quality set with a decorative border around the spoons and tongs. The total weight of silver is approximately 94g and every piece is individually hallmarked for Sheffield, 1922 and the makers Allen & Darwin. The spoons measure approximately 4 1/4" (11cm) long. Every piece is in very good condition. There are some minor signs of age and use, a few faint surface marks and a few light surface scratches but nothing detrimental. They have been lightly cleaned and polished and are ready for use. The box is good quality with a silk lining and fitted velvet base. The lining is marked for retailers "Davidson, Henderson & Sorley, Jewellers & Silversmiths, Glasgow". There are some minor marks inside the box and the outer of the case is not without some signs of age and knocks, scuffs and losses around the edges but overall it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
