Description

A fine example of a small solid silver salver dish with a wavy rim set on 3 small scroll feet. The centre of the salver is engraved with the date "1937". It is a stylish and good quality piece, weighing approximately 144g. It is clearly hallmarked for Sheffield, 1935 and the maker Viners Ltd. It is in good condition for its age. There are some faint surface marks and light surface scratches but no major damages and it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
