Description

A matching set of 3 solid Sterling silver spoons. They are a large tablespoon size or small serving spoon. They are a simple plain design with a small engraved initial 'H' on the tip of the handles. They are good quality pieces weighing approximately 228g in total. Each spoon measures approximately 9" (23cm) long and the bowl itself is 2" (5cm) wide x 3" (8cm) long. Each spoon is clearly hallmarked for London, 1864 and the maker George William Adams. They are in excellent condition for their age. There are no major damages and they display beautifully. There are some faint surface scratches and a few light marks but nothing detrimental. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
