Description

A lovely antique candle or taper box dating from the 19th Century. It is made of oak with a sliding lid and a hole in the back to allow it to be hung on a wall. It is well made with dovetail joints and a lovely colour and patina. It is in good condition for its age. There are signs of age and use, a few small marks, minor knocks and splits but no major damages. It has been cleaned and gently polished and displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £10.
