Description

A matching set of 4 antique Sterling Silver salt dishes. They are stylish and good quality with pretty pinched rims set on a round foot with beaded border. They come with two matching silver spoons. The total weight of silver is approximately 113g. Each bowl and spoon are each fully hallmarked for Walker & Hall, Sheffield, 1890. They are in good condition with clear hallmarks. There are no major damages and they display beautifully. There are some faint surface marks, a few light dinks and some areas of staining and tarnish but nothing detrimental. They have been lightly cleaned and polished and are ready for use or display. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
