Description

Dainty antique drop earrings in solid nine-carat gold, each simply set with a faceted purple amethyst in a pretty milgrain bezel. The earrings are in very good antique condition; one stone has a tiny nibble at one edge which is visible under strong magnification but not apparent to the naked eye. Size: The amethysts measure approximately 7 x 8mm; the drop from the top of the ear wire to the closure hook at the bottom is around 1cm - this is a small size and will not fit everyone so if in doubt please check your measurements! Weight: 1.1g. Please note antique boxes pictured are not included, your item will come in a new box. FREE INTERNATIONAL SHIPPING! Apologies but we cannot ship to Germany, any orders from Germany will be cancelled and refunded. Antique boxes pictured are for display only and not included unless specified; your item will come in a new box.
