Description

A stunning set of five French nesting tables in walnut and brass, dating from around the 1930's. The quality is amazing, the design is beautiful and incredibly useful. The walnut tops are inlaid in a geometric design with cross banded edges. Beneath the tops the corners have diamond shaped inlays, sitting on tapered and fluted legs, terminating in brass feet. The five separate tables nest together perfectly into one lovely, compact unit. We have recently had this set re-polished, they are in excellent condition for their age. Width – 24 inches , 60 cm Depth – 15 inches , 37 cm Height – 22 inches , 56 cm
