Description

A lovely untouched chest on chest. Everything is original including the handles and escutcheons. All the drawers are oak lined. Although it is quite tall it is not too wide. The maximum width across the feet is 110cm. The width across the front is 106 for the bottom half and 98 across the top half. It provides excellent storage having small and long drawers all of varying depths. It has beautiful figuring on the drawers. The top has fluted canted corners. All the drawers run well. A really good value piece dating from the mid 18th century. Don't hesitate to call for more details and photos. 07749738756
