Description

A superb very rare and interesting sterling silver topped money box. The top is hallmarked for Chester 1912 with the makers marks being MBros. It has been interesting made from a Perrier bottle. I suspect the top would have been bonded to the glass so you should have to smash the bottle to get to the coins but this looks to have been dislodged without breaking the glass hence making it quite a rare piece. It is in superb condition being free from dings splits holes chips cracks and repairs. It measures approx. 7 inches (17.5cms) tall and weighs 240 grams. A superbly made fascinating piece.
