Description

A beautiful hand made Indian solid silver box. It is unmarked but tests as high grade silver. I would date it to c1900. It has been beautifully chased with flowers and internally gilded. It is in superb condition being free from dings splits and repairs. It measures approx. 2 inches (5cm) wide by 1.75 inches (4.8cm) front to back by 1 inch (2.3cm) tall and weighs 34 grams. A well made high quality piece.
