Description

A stunning unusual Arts and Crafts hanging wall cupboard that dates to around 1905 It is constructed in mahogany with an inlaid design on the doors and has a really ecclesiastical look about it... in original condition...it has just been lightly cleaned and waxed to show its original patina with light wear marks, in keeping with its' age Has a brass bolt on the left hand door to fasten it and a working lock and key With six drawers inside and brass brackets to hang it, although these could be removed as it would serve as a great surface cupboard, ideal for a hallway to store keys etc in it It measures 25 inches wide, 25 inches high and 9 inches A really nice item that would grace a period or contemporary home For collection or delivery can be arranged.....please contact me for a quote All my items a sold with a full refund policy if you are not completely satisfied with your item alternatively you are welcome to view any item prior to purchase.....we are based in Wrexham North Wales
