Description

A pretty Victorian hinged sterling silver cuff with a lovely antique patina, supplied with antique purple velvet-lined box. The elaborately detailed front is engraved with a beautiful floral design absolutely typical of the Victorian Aesthetic period (c.1885-1901), with applied rose and yellow gold details. A very wearable piece. The bracelet is in very good antique condition with generally minor surface wear consistent with normal antique usage. Opens nicely and closes securely, both the hinge and clasp are in good working order. Size: Internal circumference is approximately seven inches; width 1.5cm. Weight: 19.1g. FREE INTERNATIONAL SHIPPING! Apologies but we cannot ship to Germany, any orders from Germany will be cancelled and refunded.
