Description

Stunning vintage triptych mirrored art deco style dressing table, this fabulous piece of bedroom furniture is in excellent condition. It has four deep drawers with original half moon handles. The top surfaces have been painted with Annie Sloan chalk paint in "Athenian black" with a black wax finish, this gives this piece a more contemporary look. The feet are attractively carved claw feet. The three mirrors are in excellent condition with no foxing. The two side mirrors can be moved. This would make a stunning addition to your vintage home.
