

SA953750

Georgian 9CT Gold Garnet Flower Ring

Price

Sold**Item Reference: SA953750****Date of manufacture: Georgian**

Description

A lovely old Georgian rosy gold ring with six glittery almandine garnet petals surrounding a central demantoid garnet to make up a pretty flower design. The ring tests as nine-carat gold though there are no hallmarks; it's possible the shank may have been replaced at some time. The ring is in very good antique condition; some of the claws are worn but all the stones are firmly set in place. Size: O (UK), approx 7.25 (US). The face of the ring measures approx 1.2cm. Weight: 2.3g. FREE INTERNATIONAL SHIPPING! Apologies but we cannot ship to Germany, any orders from Germany will be cancelled and refunded. Antique boxes pictured are not included unless specified; your item will come in a new box.
